Register as proof

- 26.** (1) A copy of the most recent published issue of a register or any supplementary list contemplated in section 25, and certified by the registrar, is *prima facie* proof in all legal proceedings of the facts therein recorded and the absence of the name of any person from such copy is proof, unless there is credible evidence to the contrary, that such person is not registered in terms of this Act. 50
- (2) For the purposes of subsection (1) a certified extract or a certificate contemplated in section 24(3) bearing a date subsequent to the date of publication of the register or supplementary list contemplated in subsection (1) is “credible evidence to the contrary”. 55

(3) If the registrar issues a certificate, dated later than the date of publication of the register or supplementary list contemplated in subsection (1), to the effect that a practitioner's name has been removed from the register since the date of publication of the register or supplementary list and has not been restored thereto, that certificate is proof, in the absence of credible evidence to the contrary, that such person is not registered in terms of the provisions of this Act. 5

(4) A certificate of registration is proof of registration for a period of one year after its date only and thereafter an annual practising certificate issued upon payment of the prescribed annual fee and upon the submission of such information as may be required by the Council to enable it to keep accurate statistics on human resources in the health field, is proof of registration in the absence of credible evidence to the contrary. 10

29. (1) Notwithstanding anything to the contrary in this Act, the Council may institute an inquiry into any complaint, allegation or charge of unprofessional conduct against any person registered in terms of this Act and, on finding such person guilty of such conduct, to impose any of the penalties contemplated in section 33: Provided that in the case of a complaint, charge or allegation which forms or is likely to form the subject of a criminal case in a court of law, the Council may postpone the holding of an inquiry until such case has been concluded. 30

(2) If the Council is in doubt as to whether any inquiry should be held in connection with a complaint, charge or allegation, it may, in connection with the allegation, charge or complaint in question, consult with or seek further information from any person, including the person against whom the allegation, charge or complaint has been lodged. 35

Manner in which certain investigations may be instituted

30. (1) The registrar may, with the approval of the chairperson of the Council, appoint a member of the Council as the investigating officer for the purposes of this section. 40

(2) Notwithstanding subsection (1), the registrar may, with the approval of the chairperson of the Council and on such conditions as the Council determines, appoint any person who is not a member of the Council and not in the full-time employment of the Council as the investigating officer for a particular investigation or to assist the investigating officer contemplated in subsection (1) with a particular investigation. 45

(3) A person appointed in terms of subsection (2) has the same powers and duties regarding the investigation as the investigating officer contemplated in subsection (1).

(4)(a) The registrar must issue to the person appointed under subsection (1) or (2), as the case may be, a certificate to the effect that he or she has so been appointed, and, in the case of a person appointed for, or to assist with, a particular investigation, that he or she has so been appointed for such investigation. 50

- 31.** (1) An investigating officer contemplated in section 30(1) or (2) may, with the approval of the Council and without an entry or search warrant, enter and search any premises, other than a private dwelling, to carry out an investigation contemplated in section 30(5) if— 15
- (a) person who is competent to do so, consents to such entry, search or seizure; or
 - (b) the investigating officer, on reasonable grounds, believes—
 - (i) that a warrant would be issued to him or her if he or she were to apply for that warrant; and
 - (ii) the delay in obtaining that warrant would defeat the purpose of the entry. 20
- (2) An entry and search under this section must be executed by day, unless the execution thereof by night is justifiable and necessary.
- (3) An investigating officer must identify himself or herself to any person concerned during entry or search.
- (4) During the search of the premises, or at any other time, an investigating officer 25 may—
- (a) request any person found on the premises to immediately, or at a time and place determined by the investigating officer—

 - (b) request from any person who has or is suspected on reasonable grounds of 35 having in his or her possession or custody or under his or her control any book, record, document or thing relating to the matter which is being investigated, to produce it immediately or at a time and place determined by the investigating officer, for examination of such book, record, document or thing, or to make extracts or copies from such book or document, and may further request that 40 person to furnish such explanations as are required in respect of any entry in that book or document.
- (5) A person who carries out an investigation in terms of this section—
- (a) must preserve secrecy in respect of any facts which come to his or her notice in the performance of his or her functions; and 45
 - (b) may not disclose any such fact to any person except to the registrar, or to the chairperson, or any other member of the Council, or to the public prosecutor concerned in the case of an offence in terms of this or any other Act, or by order of a court.
- (6) Notwithstanding subsection (5), no personal particulars regarding a patient may 50 be disclosed to any person except in terms of a court order or with the consent of the presiding officer at an inquiry contemplated in this Act.
- (7) The court order contemplated in subsection (6) must be executed as if it were a judgment in a civil case in a magistrate's court.
- (8) Any person who— 55

 - (b) hinders or obstructs the investigating officer in the exercise of his or her powers or in the performance of his or her duties;

- (ii) in the case of a contravention contemplated in paragraph (d), to a fine or to imprisonment for a period not exceeding two years or to both a fine and such imprisonment. 5

(9) This section does not preclude any other authority that is otherwise authorised from instituting an investigation into any alleged contravention of, or failure to comply with, any provision of this Act. 10

Report by investigating officer

32. (1) The investigating officer responsible for an investigation under this Act must compile a report of the investigation and submit that report to the registrar.

(2) If the report contemplated in subsection (1) reveals evidence of improper or disgraceful conduct contemplated in this Act and no complaint, charge or allegation regarding such conduct has been made for the purpose of an inquiry in terms of section 29, such report is deemed to be a complaint made for the purpose of an inquiry and the registrar must serve a copy thereof on the registered person concerned. 15

(3) If the report contemplated in subsection (1) reveals evidence which, in the opinion of the chairperson of the Council, makes it desirable that an inquiry on the grounds of an apparent impairment of the complainant's rights be instituted, the registrar must serve a copy thereof on the registered person concerned. 20

(4) If the report contemplated in subsection (1) does not reveal evidence of unprofessional conduct contemplated in this Act, the registrar must serve a copy thereof on the registered person concerned. 25

(5) To the extent that the report contemplated in subsection (1) contains statements of witnesses which would have been admissible as evidence at an inquiry into impairment of rights or into complaints, charges or allegations of unprofessional conduct, section 213 of the Criminal Procedure Act, 1977 (Act No. 51 of 1977), applies with the necessary changes in respect of those statements at such an inquiry. 30

Procedure at inquiry and relevant matters

33. (1) A person registered under this Act who, after an inquiry held by the Council, is found guilty of improper or disgraceful conduct, or conduct which, when regard is had to such person's profession, is improper or disgraceful, is liable to one or more of the following penalties: 35

(2) If an appeal is lodged against a penalty of removal of a registered practitioner's name from the register or suspension from practice, such penalty remains effective until the appeal is heard. 45

(3) The Council may, subject to such conditions as it determines—

- (a) terminate any suspension under subsection (1) before the expiry of the specified period; or
- (b) on payment of the prescribed fee, restore to the register any name which has been removed therefrom. 50

(4) In respect of inquiry proceedings contemplated in section 29, the Council must—

(5) The Council may, at any inquiry proceedings contemplated in section 29—

- (a) take evidence under oath or affirmation;

 - (e) examine any book, record, document or thing which any witness was required to produce at the proceedings.
- (6) A summons to appear before the Council as a witness or to produce to it any book, record, document or thing must be— 10
- (a) as nearly as practicable, in the prescribed form;
 - (b) signed by the chairperson of the Council or the registrar, as the case may be; and
 - (c) served either by registered letter sent through the post or in the same manner as it would have been served if it had been a subpoena issued by a magistrate's court. 15
- (7) Any person who, having been summoned—
- (a) refuses, or without sufficient cause fails, to attend and give evidence relevant to the inquiry at the time and place specified in the summons;
 - (b) refuses to take the oath or to make an affirmation when required to do so by the chairperson of the Council or the presiding officer, as the case may be, at the inquiry; 20
 - (c) refuses or fails without sufficient cause to produce any book, record, document or thing which he or she has in terms of the summons been required to produce, 25
- is guilty of an offence and on conviction liable to any sentence which may be imposed on a witness subpoenaed to give evidence in a civil trial in the High Court who is convicted of a similar offence: Provided that every person so summoned is entitled to all the privileges to which a witness subpoenaed to give evidence before a provincial division of the High Court is entitled. 30
- (8) The chairperson of the Council may appoint a person with adequate experience in the administration of justice to be present as an assessor at an inquiry and to advise the Council or the disciplinary committee, as the case may be, on matters of law, procedure or evidence.
- (9) If a person registered in terms of this Act (in this section referred to as the accused) is alleged to be guilty of unprofessional conduct and the Council on reasonable grounds is of the opinion that it must impose a fine determined by the Minister in consultation with the Minister of Justice by notice in the *Gazette* on conviction after an inquiry contemplated in terms of section 29 was held, the Council may issue a summons in the manner prescribed on which an endorsement is made by the Council that the accused may admit that he or she is guilty of the said conduct and that he or she may pay the fine stipulated without appearing at the said inquiry. 35 40
- (10) Where a summons as contemplated in subsection (9) is issued against an accused in terms of this Act, the accused may, without appearing at an inquiry in terms of section 29, admit to his or her guilt in respect of the conduct referred to in subsection (1) by paying the stipulated fine (in this section referred to as the admission of guilt fine) to the Council before a date specified in the summons. 45
- (11) Any penalty imposed under this section, excluding an admission of guilt fine, must be paid to the Council within 14 days after such imposition.
- (12) The imposition of a penalty has the effect of a civil judgment of the magistrate's court of the district in which the inquiry contemplated in section 29 took place. 50
- (13) The Minister may, on the recommendation of the Council, amend the amount mentioned in subsection (9) by notice in the *Gazette*.

- 34.** (1) Where a person has been found guilty of any conduct contemplated in section 29, the Council may— 55
- (a) postpone the imposition of a penalty for such period and on such conditions as it determines; or
 - (b) impose any penalty contemplated in section 33(1)(b), (c) or (d), but order the execution of such penalty or any part thereof to be suspended for such period and on such conditions as it determines. 60

(2) If, at the end of the period for which the imposition of a penalty has been postponed in terms of subsection (1)(a), the Council is satisfied that the practitioner concerned has observed all the relevant conditions, the Council must inform such practitioner that the penalty contemplated in section 33 will not be imposed upon him or her. 5

(3) If the execution of the penalty or any part thereof has been suspended in terms of subsection (1)(b) and the Council is satisfied that the practitioner concerned has observed all the relevant conditions throughout the period of suspension, the Council must inform that practitioner that the penalty contemplated in section 33 will not be executed. 10

(4) If the execution of a penalty or any part thereof has been suspended in terms of subsection (1)(b) and the practitioner concerned fails to comply with one or more of the conditions of suspension, the Council must put such penalty or part thereof into operation unless the practitioner satisfies the Council that the failure to comply with the conditions concerned was due to circumstances beyond his or her control. 15

Effect of suspension or removal from register

35. A person who has been suspended or whose name has been removed from the register in terms of section 33 is disqualified from carrying on his or her profession and his or her registration certificate is deemed to be cancelled until the period of suspension has expired or until his or her name has been restored to the register by the Council. 20

36. (1) A registered person who—
- (a) either before or after his or her registration, has been convicted of any offence by a court of law; and
 - (b) where the Council is of the opinion that such offence constitutes unprofessional conduct as contemplated in section 29, 25

may be dealt with by the Council in terms of this Chapter and is liable on conviction to one or more of the penalties contemplated in section 33: Provided that, before imposition of any penalty, such person must be afforded an opportunity to address the Council in extenuation of the conduct in question. 30

(2) Whenever in the course of any proceedings before any court of law it appears to the court that there is *prima facie* proof of unprofessional conduct on the part of a person registered in terms of this Act, the court must direct that a copy of the record of such proceedings, or such portion thereof as is material to the issue, be transmitted to the Council. 35

Penalty for false evidence

37. A person who gives false evidence on oath or affirmation at any inquiry held in terms of this Act, knowing such evidence to be false, is guilty of an offence and liable on conviction to the penalties which a court may impose for the crime of perjury.

MEMORANDUM ON THE OBJECTS OF THE TRADITIONAL HEALTH PRACTITIONERS BILL, 2003

1. BACKGROUND

Since the 1994 elections, traditional healers have been collaborating with the Government for the purpose of obtaining formal recognition for the profession. Due to the fact that there was little information available to formulate policies, the National Assembly Portfolio Committee on Health was asked to conduct an inquiry focusing on the following issues:

- The desirability of a statutory council for traditional healers;
- The recognition of medical certificates by traditional healers; and
- The recognition of traditional healers by medical schemes.

Public hearings were held in all provinces under the auspices of the Provincial Standing Committees on Health in 1997. The Select Committee on Social Services of the National Council of Provinces co-ordinated the information obtained and drafted the report on the outcome of the provincial hearings. The Portfolio Committee on Health conducted further hearings for national stakeholders in February 1998.

The final report which was received in December 1998 recommended that there be legal recognition of the traditional healers as a health resource and that an interim council should be established which will be responsible for the regulation of that profession. The interim council should report back to Parliament within three years and thereafter a permanent council would be constituted provided that certain conditions are met.

Due to the preparations for the general elections in June 1999 it was not possible for the Minister to attend to the proposed legislation. A ministerial submission regarding the progress made was completed on 16 September 1999. A report of the two meetings and a workshop held with the traditional health stakeholders was presented. Since 1999, various meetings and workshops between stakeholders and the department have taken place and in September 2000, the Health MINMEC gave the Department of Health a mandate to implement the Portfolio Committee recommendation of establishing an Interim Council for Traditional Healers. In 2001 and 2002 the Department embarked on a series of roadshows for traditional healers within the provinces in order to engage traditional healers in discussion and acquaint them with the idea of becoming a regulated profession.

A forum of Traditional Health Practitioners was also formed by the department during this period and it has met on a number of occasions to discuss legislative proposals and issues around the regulation of traditional health practitioners. The last meeting of the forum took place in December 2002.

2. OBJECTIVES OF BILL

The Bill aims to—

- (a) control and regulate traditional health practice in the Republic;

- (p) communicate to the Minister information of public importance acquired by the council in the course of the performance of its functions under this Act.

3. CONSTITUTIONAL IMPLICATIONS

The Bill has constitutional implications in that it seeks to regulate a profession which previously was unregulated. Section 22 of the Constitution stipulates that: "Every citizen has the right to choose their trade, occupation or profession freely. The practice of a trade, occupation or profession may be regulated by law." The Department of Health through its legal unit is content that the Bill is not repugnant to the provisions of the Constitution.

4. OTHER DEPARTMENTS/BODIES/PERSONS CONSULTED

traditional healers associations and councils;
Provincial departments of health;
relevant institutions

5. FINANCIAL IMPLICATIONS FOR STATE

The start-up costs for the Council will have to be carried by the State. With the passage of time the Council should achieve a greater degree of financial independence as more and more traditional health practitioners pay registration fees. Full details of these are contained in the proposed Bill.

6. PARLIAMENTARY PROCEDURE

The Department of Health and the State Law Advisers are of the opinion that the Bill should be dealt with in accordance with section 76 of the Constitution, since it falls within a functional area listed in Schedule 4 to the Constitution, namely "Health services".
