Did you know?

**Point-of-care devices
help doctors make
a fast and accurate diagnosis**

WWW.AMRINDUSTRYALLIANCE.ORG

Did you know?

**Antibiotics do not treat viral
infections,
like colds and flu**

WWW.AMRINDUSTRYALLIANCE.ORG

Did you know?

Just 1 in 5 National Actions Plans
commit to reducing antibiotic use, improving
hygiene & preserving antibiotics of last resort

WWW.AMRINDUSTRYALLIANCE.ORG

So what can you do?

Seeking advice from a qualified healthcare professional will help you and your family to make the right decision when it comes to antibiotics.

Antibiotics are not always the answer.

WWW.AMRINDUSTRYALLIANCE.ORG

So what can you do?

Fight antibiotic resistance. Everyone has a role to play! Prevent infections to reduce the need for antibiotics in the first place. **Wash your hands** and **keep your vaccinations up to date!**
