MESSAGE OF CONDOLENCE ON THE PASSING OF CMS CHAIRMAN DR CLARENCE MINI

The Innovative Pharmaceutical Association of SA (IPASA) and its 26 member companies, share on the sincere grief of the news of the passing of Council of Medical Schemes Chairman Dr Clarence Mini.

The contributions made by Dr Mini in the public and private health sector for health reform, are legendary; and too many to fit into one message. He leaves a big void and shoes to fill for the health sector.

“IPASA sends its deepest heartfelt condolences to his wife Nancy, the children Yandi and Nomhle, and the entire Mini family.

“The medical fraternity has indeed lost one of its unsung heroes! A dapper man who spoke well and expressed himself clearly; solid, firm, forward looking man, but also a great team player and leader, who dedicated his life to bringing positive change to the medical industry in SA.

“May his soul rest in eternal peace”.
